|--------------------------|--|--|
| <b>Name</b>              | <b>Prof. Dr. Dr. Lorenz Meinel</b>   |   |
| <b>Date of birth</b>     | March 21, 1972   |  |
| <b>Address</b>           | Institut für Pharmazie<br>Julius-Maximilians-Universität Würzburg<br>Am Hubland, D-97074 Würzburg<br><a href="http://www.pharmazie.uni-wuerzburg.de">http://www.pharmazie.uni-wuerzburg.de</a> |  |
|                          | Tel. / Fax: +49 931 31-85471<br><a href="mailto:l.meinel@pharmazie.uni-wuerzburg.de">l.meinel@pharmazie.uni-wuerzburg.de</a>   |  |
| <b>Position</b>          | Professor and Chair  |  |
| <b>Children</b>          | none   |  |
| <b>Qualification</b>     | 2007   | Habilitation in Pharmaceutics, ETH Zürich<br><i>Biomaterials and Drug Delivery Systems</i>   |
|                          | 2002-2005  | Dr. rer. med., U Frankfurt, Department of Orthopedics<br><i>Engineering of bone- and cartilage like tissue</i>   |
|                          | 1999-2002  | Dr. sc. nat., ETH Zürich, Drug formulation and delivery<br><i>Development of Advanced Drug Delivery Systems</i>  |
|                          | 1999   | Licensed pharmacist  |
| <b>Career</b>            | 2010-today   | Director and Chair for Pharmaceutics and Biopharmacy   |
|                          | 2005-2010  | Novartis Pharmaceuticals, Basel, Departments of Technical Research and Development and Translational Medicine (Director)   |
|                          | 2004-2005  | Lab Head, ETH Zürich, Drug formulation and delivery  |
|                          | 2002-2005  | Doctoral student, University of Frankfurt, Orthopedics   |
|                          | 2002-2004  | PostDoc, MIT, Cambridge, MA, USA   |
|                          | 1999-2002  | Doctoral student, ETH Zürich, Drug formulation and delivery  |
|                          | 1993-1998  | Student in Pharmaceutical Sciences, University of Würzburg   |
| <b>Edition / Reviews</b> |  | u.a. für SNF, DFG, AvH-Stiftung, various journals  |
| <b>Awards</b>            | 2005   | Dissertation price of the University of Frankfurt <i>summa cum laude</i>   |
|                          | 2005   | Price of AFOR (Association for Orthopedic Research)  |
|                          | 2004   | Phönix Price for Pharmaceutical Sciences   |
|                          | 2002   | Feodor Lynen Stipend of the Alexander v. Humboldt Foundation   |
|                          | 2002   | Price for outstanding Ph.D.thesis by ETH Zürich  |
|                          | 2001   | Leonardo Price, Pharmacia Pharmaceuticals  |
|                          | 2000   | IAMS Award   |
| <b>Research</b>          |  | Formulation of poorly water soluble compounds<br>Bioresponsive drug delivery systems for regenerative medicine<br>Protein design for optimized formulation performance |
